"DIRECT- PAY" NOW AVAILABLE

Patrons of the Lan-Del Water District may now use "DIRECT-PAY" to pay their monthly water bills through automatic electronic banking.

WHAT IS "DIRECT-PAY"? With our DIRECT-Pay service, payment of your monthly water bill is automatic. You can save time, effort, worry and postage. Plus, electronic banking makes DIRECT-PAY accurate and reliable.

HOW DOES DIRECT-PAY WORK? You will continue to receive your monthly bill. You will know how much your water bill will be and how much your financial institution will automatically pay from your checking or savings account.

This will be in the "Amount Now Due" and the bill will NOT indicate automatic withdrawal of payment. This amount will be deducted on the payment due date shown on your bill.

HOW DO I SIGN UP FOR DIRECT-PAY? Just complete the authorization form shown below and leave it with the office staff. You will need to include a void check from your financial institution. If you need any assistance in signing up for DIRECT-PAY, please ask office staff for assistance.

To cancel this option, I must notify Lan-Del in writing 30 days in advance of the cancellation date.

I agree that I am obligated to pay my bill in the event that my deduction is dishonored. Lan-Del retains its normal collection rights.
